April 2010

Upcoming Meetings

April 28th Tonight we welcome **Henry Christiansen**. He is a member of the National Association of Photoshop Professionals and teaches digital photography and photo editing at Loyalist College in Bancroft. His presentation has changed but will still include the topic of HDR-High Dynamic Range. He will be talking about Landscape Photography-What we learned from Ansel Adams.

May 26th **Donna Fano** is one of our own and is very knowledgeable when it comes to **Fungi**. She will be sharing her expertise with us tonight.

June 30th to be confirmed.

NO MEETINGS IN JULY AND AUGUST

Will let you know about possible outings.

September back at the college.

OUTINGS

Sunday, May 16th to Point Traverse, Prince Edward County

Meeting at the banding station at **9:15 a.m.** to be ready for a tour led by Terry Sprague. He will take us on some trails and also visit the banding station to see the display and see how birds are banded. **Guage your time of departure from your home as it is a 40 minute drive from Picton.**

You may want to bring a lunch or eat back in Picton. That's up to you.

Directions from Picton

From Picton follow Cty Rd. 8 to Cty Rd. 17. Keep right. At Cty Rd. 16 turn left to Cty Rd. 13 (near Black River). Follow Cty Rd. 13 until it becomes Long Point Rd. (Cty Rd. 6) Continue to the end. The Bird Banding Cabin will be on your right.

Saturday, June 26th to Sheffield Conservation Area

Meeting at the Flying J at 9:30 a.m. and going from there. Bring a lunch, and you will likely need bug spray at that time of year.

Just a reminder that newsletters will only be mailed out to those not having e-mail.
