

PHOTO-NAT NEWSLETTER

Website www.photo-nat.com

November 2011

Just a note to give you a couple of updates. Plans for the Mall Show have been set. As other years we know **when** but not sure **where** yet in the mall we will be. Put these dates in your calendars and plan to participate if you can. We would like to see as many members participate as possible.

Set-up: Wednesday, Feb. 8th , 9 p.m. (after the mall closes)

Show: Thursday to Sunday Feb. 9th to 12th

A sign-up sheet is going around tonight at the meeting to give me an idea as to how many pictures we might have. I will then maybe be able to increase the number of photos allowed. If you are not able to attend the meeting, please call me at 613-477-1155 to let me know you plan to participate and how many pictures you have.

UPCOMING MEETINGS

January 25th Tony Crocker, a member of Photo-Nat and enjoys nature photography.

February 29th **Buy, Sell, Trade Night** Underwater Photography by Jeff & Debbie Evoy. You'll recognize them from Japan Camera.

March 28th Linda Killam will show us her wildlife photography from all over the world

April 25th Peter Law, our newest member of Photo-Nat will be our speaker tonight.

OUTINGS

January 14th to Presqu'ile to look for birds, deer, wildlife, scenery etc.

Meeting there at 9:30 a.m. at the entrance. Then lunch at Vitos at 12:30 p.m.

Raindate :January 21st If weather is bad on the 14th we'll try for the 21st.

February: No outing planned because of Mall Show etc.

March 10th **Algonquin Pk.** We thought we'd like to try a trip to Algonquin in the winter next year. Last year Don & I went at this time of year and were very happy to be able to photograph the boreal chickadee and the pine marten as well as great winter scenery shots.

April 28th **The Wolf Center near Haliburton** Details to come later.

May: Rescheduled visit to Clifton Maclean's property near Roslin. Date not confirmed yet.

Again we ask you to let us know if you have any ideas for speakers or places you might want to go.

We are also in initial planning stages for a Saturday workshop sometime in the spring.

Looking forward to a good year ahead.

Merry Christmas!! Have a good holiday season.

REMINDER: If I have your E-mail address, newsletters will come that way. If not they come in the mail.

Beth ☺
