June 2013

Greetings!

Since Don & I will be in Newfoundland at the time of our next meeting, there are a couple of things I need to tell you about. First, I hope the outing to the Fen was a success and that you were able to take pictures of the Showy Lady's Slippers last Sat. We were in Algonquin Park feeding the blackflies & mosquitos. ☺ Some moose twins were spotted but not by us. We looked & looked but to no avail. Oh well! Next time. We were able to photograph a fox & her kits though. That was exciting!

I mentioned this a couple of months ago but want to update you on some details. A small group of us are involved in presenting slideshows at the Visitor's Centre in Algonquin in the fall.

Bill Pratt, Jerry Schmanda, & Don & Beth Wishart**

**There will be a Silent Auction & Great Door Prizes!
& Refreshments**

You will get a chance to meet Chief Park Naturalist Rick Stronks, FOAP General Manager Lee Pauzee, & as many of you know, John & Janet Foster.

Admission \$25.00 Only 100 tickets available

Here's the thing!

Tickets are not on sale yet & we will be away until later in July to be able to get this info to you. So you should keep checking the Algonquin Park website for updates about this event. www.algonquinpark.on.ca
This will tell you how to get your tickets.

We are excited about this event & hope some of you will be able to support us as we try to **give back** to a place we have come to love over the years.

Because of this event being at 7 p.m. I will not be organizing a supper event as I have done in the past. So eat early and come to the event. You won't be disappointed.

Sept. 27th, 28th, 29th Our annual Algonquin Park Weekend. Note Change in Dates.

We have been going on the weekend just before Thanksgiving for several years now. This year Thanksgiving is really late & we thought earlier would be better for colours.
